

## Donation Request

\_\_\_\_\_ has been invited to participate in the **Carolina Bowl**, at *Duke University*, during the week of December 7, 2022 - December 11, 2022. As part of that invitation, participants are committed to fundraising to help cover the event costs and provide much needed financial resources to the **St. Jude's Children's Research Hospital**.

During "Event Week", all participants have the opportunity to surround themselves with other top-level students throughout North America. They practice hard, build relationships and listen to some wonderful guest speakers. This week is focused on building the values of our young people. The donations received will help us build character, sportsmanship and teamwork while supporting our "Kids Helping Kids" philosophy. We provide them an experience that can change the direction of their lives.
